

Alta Loma Riding Club

~Attention Animal Lovers~

The Alta Loma Riding Club, in accordance with the Rancho Cucamonga Fire Department and the City of Rancho Cucamonga, are seeking a few good VOLUNTEERS for a planned "Emergency Response Team". Volunteers will assist, coordinate and cooperate with the Fire Department and other Emergency Personnel in the evacuation and or rescue of animals large and small in the event of an emergency or disaster. The first step will be to obtain a list of all of our resources. Please take a moment to look over the following questionnaire. If you can help or know someone who can, or if you have equipment that you can donate to the program, please fill out the following questions and return to:

ALRC – ERT
5777 JADEITE AVE
ALTA LOMA CA 91737
ATTN: STEPHANIE DOOLEY

This is an exciting program, which will greatly benefit our community, and the many residents who have animals within our city and the surrounding areas. It is NOT necessary to be a club member to be a part of this program. We welcome and encourage everyone to become active volunteers! Thank you for your time and support.
